# Protect your flooring from winter GRIME

M + A MATTING

WaterHog mats are durable, stain-resistant mats with a unique bi-level design that traps dirt and moisture, keeping your floors clean, dry, and safe.

- **Clean & Dry** – Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking; water dam border holds moisture keeping it off your floors (WaterHog mats can hold up to 1 ½ gallons of water per square yard)
- **Durable** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat
- **Fade & Stain Resistant** – Solution-dyed polypropylene fabric is resistant to staining, dries quickly, and will not fade or rot
- **Safe** – Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- **Eco-Friendly** – Rubber backing contains 20% post-consumer recycled rubber from car tires
